

KIDS ON THE GO!

GRANT PROGRAM

[#0209]

Since 1950, Variety The Children's Charity of Southern Nevada has strived to improve children's quality of life by responding to a wide range of special needs.

Through its ***Kids on the Go!*** Program Variety offers local support to enable children to participate fully in their community, by providing mobility, communication and/or recreational equipment.

Local schools, agencies, organizations and individuals are welcome to apply. Funding decisions are based on, but not limited to, eligibility, local funding priorities, and availability of funds. Funding recommendations are made by the Program & Allocations Committee and voted by the Board of Directors of Variety of Southern Nevada.

The following are a few examples of regrant projects Variety is proud to have been able to provide completely and/or in part:

- Handicap enabled bicycles, convert-a-tables and adaptive learning equipment provided to the children of the John F. Miller School for Special Education.
- Purchase of a "Sunshine Coach" pickup truck for Variety School's document shredding enterprise.
- Purchase of wheel chair accessible "Liberty" swings for Opportunity Village, Camp Civitan, among others.

Each ***Kids on the Go!*** regrant application is given careful consideration.

Thank you for applying and for striving to make ours a stronger community!
